Spanish Immersion

Learn Spanish in beautiful Door County, Wisconsin

Spend 1 week in beautiful Door County and learn Spanish language while immersed in a unique culture experience.

Participants will enjoy the beautiful landscaping and rich tradition of Björklunden Vid Sjön, a 425-acre estate on Lake Michigan in Door County, Wisconsin is the setting for this exciting learning experience.

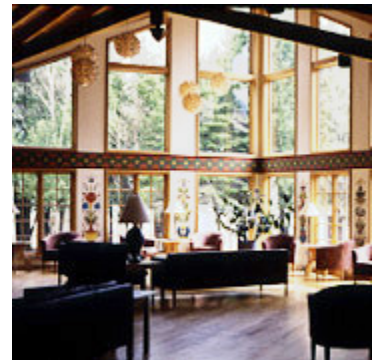

- Language classes daily immersion
- Introduction to beginner levels available
- Small class sizes
- Activities designed to provide total cultural immersion
- Conversation practice with native Spanish-speaking partners
- Meals provided
- Interactive, fun activities
- 3 elective credits
- Transportation provided
- Dorm style housing

This unique immersion experience will provide Spanish language training: introduction to beginner levels focusing on creating a natural language learning (immersion) environment. Students will participate in interactive situational exercises with native Spanish speakers to assure better vocabulary retention.

As a leader in innovative global education training, the Global Education & Services department offers several seminars, which focus on several aspects of the global market, including culture (business and diversity), language, import/export and
