Mathematics and economics courses you are planning to take this year:
Extracurricular activities
What campus organizations have you been active in? (Sports, music, etc.; include only those you wish to share.)
What leadership roles have you played in on- or off-campus organizations?
In the space below, please write a brief essay on your career aspirations (in about 300-350 words).

¹For all courses, please use course names (possibly abbreviated) rather than numbers.
