Dear Dr. Edmonds:

I want to thank you very much for interviewing me yesterday for the **Associate Engineer** position. I enjoyed meeting you and learning more about your research and design work and the current market challenges facing Technical Design Group.

My enthusiasm for the position and my interest in working for Atlantic Engineering Systems were strengthened as a result of the interview. I think my education and internship experiences fit nicely with the job requirements, and I feel certain I would make a significant contribution to the firm over time.

Please feel free to call me at 920-832-0000 if I can provide you with any additional information. Again, thank you for the interview and your consideration. I look forward to hearing from you.

Sincerely,
