

Dear Parents,

The sisters of Xi Chapter of Sigma Alpha Iota, Lawrence University's music fraternity, would like to invite you to take advantage of our newest project. Many parents cannot come to their students' concerts due to distance or previous commitments. However, they still wish to show their support. Sigma Alpha Iota is offering a "rose delivery" service for all concerts of the 2007- 2008 school year. For \$5, you can have a rose and message hand-delivered to your son or daughter following any concert. To have a message delivered, detach and mail the bottom portion of this letter to:

Sigma Alpha Iota  
Conservatory of Music  
P.O. Box 599  
Appleton, WI 54912

The proceeds of these sales will be put into our endowment fund, which we use to provide scholarships for music lessons for non-music major women on campus. If you have any questions please contact Caitlin Gallogly at [caitlin.e.gallogly@lawrence.edu](mailto:caitlin.e.gallogly@lawrence.edu)

Sincerely,

The Women of Sigma Alpha Iota
