

Grade Submission Deadlines

The prompt reporting of course grades at the end of the term is essential for our students. All grades, except approved incompletes or IP grades, are final when they are recorded with the registrar. Grades are due, according to faculty legislation, no later than 72 hours after the end of the last published final examination period. If the deadline falls on a non-business day, grades will be due by noon on the next Lawrence University business day.

The grade deadline for a particular class can be found in Voyager at the top of the class list. Extensions beyond the deadline must be requested from and granted by the Provost and Dean of the Faculty.

Grades for Graduating Seniors

At the end of spring term, all grades for graduating seniors are due in the Registrar's Office **no later** than 8:00 p.m. on the Thursday before Commencement. Graduating seniors are identified on Voyager class lists and on the Voyager grade submission form.
