Skran recently spent a sabbatical term in Finland and has been closely following Finland's decision to join NATO. While in Finnish

## Experience It! The Northern Lights

Each year, during the winter months, travelers journey to Finland and venture out into the dark to see the magical but elusive northern lights. This natural phenomenon is the product of collisions between electrically charged particles from the sun that enter the earth's atmosphere, yielding spectacular results. Streaks of colorful light that change from white to pink to purple, and most commonly, to green, dazzle and move the open sky like it's nature's own dance party. It is known that the best time to witness the northern lights in Finland is from late September to mid-April, when the nights are the longest. Well worth the pursuit, this is a truly remarkable light show that's not to be missed.

**PLEASE NOTE:**

**The overall activity level of this tour is a level 3.** This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

**Travel with just 16-24 guests on this tour where a smaller group setting means a more personal travel experience.**

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

This tour is not wheelchair or stroller accessible due to Arctic terrain.

Because the northern lights are a winter event, you will be walking and waiting outdoors while looking for them. It is recommended that you wear sturdy non-slip snow footwear and warm clothing including thermals, hat, scarf and gloves.

The days and order of sightseeing may change to best utilize your time on tour.

Outdoor activities and structures are weather dependent and may be unavailable or rescheduled. Outdoor activities in early November or April may vary depending on snowfall. If there is not enough snowfall, the husky safari will be substituted for a husky meet and greet and hike experience. The reindeer safari will be substituted with a horse drawn carriage northern lights search. The dog sledding activity requires you to be able to lower yourself into the sled.

\*The northern lights are in the Northern Hemisphere from September through April and are only visible when the sky is clear and free of clouds. **As this tour is weather dependent, sightings of the northern lights are not guaranteed.**

Personal audio devices (headsets) are not included on this tour.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

\*\*\*Glass igloos are equipped with only a private sink and toilet. A privacy curtain lines the base of the bedroom inside the igloo. Guests will have access to a public sauna house to use the shower in the morning. Overnights in igloos may be on the first night or last night at the Kakslautanen Arctic Resort.

\*\*Finnish log cabins (small cabins) are equipped with 1 double bed, 1 bunk bed, a dining space, one bathroom (inclusive of sink, toilet and shower), private sauna and private fireplace (firewood not included).

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.
